

RESIDENTIAL

WHY BIMINI®? Bermudagrass, a warm-season turf, excels in residential environments thanks to its remarkable tolerance to heat and drought. Characterized by fine blades, it presents a verdant look, bolstered by rapid growth, profound root systems, and thick rhizomes. Its resilience against daily wear makes it an ideal selection for domestic lawns, offering a robust and appealing ground cover that boosts the aesthetic value of properties.

Salt Tolerant

Shade Tolerant

Drought Tolerant

**Deep Roots/
Dense Rhizomes**

Uses.....Athletic Fields, Golf, Home
 Color.....Deep Green
 Blade Width.....1.5mm
 Feel.....Soft
 Spring Greenup.....Very Good

Residential Wear

** Pinned “America’s most resilient grass”, **BIMINI®** stands out as the leading option for

individuals seeking to save water. **

Tolerance

The rhizomes in its root system allow **BIMINI**® to quickly recover from foot traffic and activity. Its wear tolerance makes **BIMINI**® perfect for lawns, offering durability in areas often used by children and pets.

Consistency

BIMINI® is designed to preserve its rich look and delicate feel throughout your lawn. It stays lively from the beginning to the end of the season. **BIMINI**® is resistant to dormancy in colder weather and quick to revive in the spring, ensuring an extended period of lush greenery.

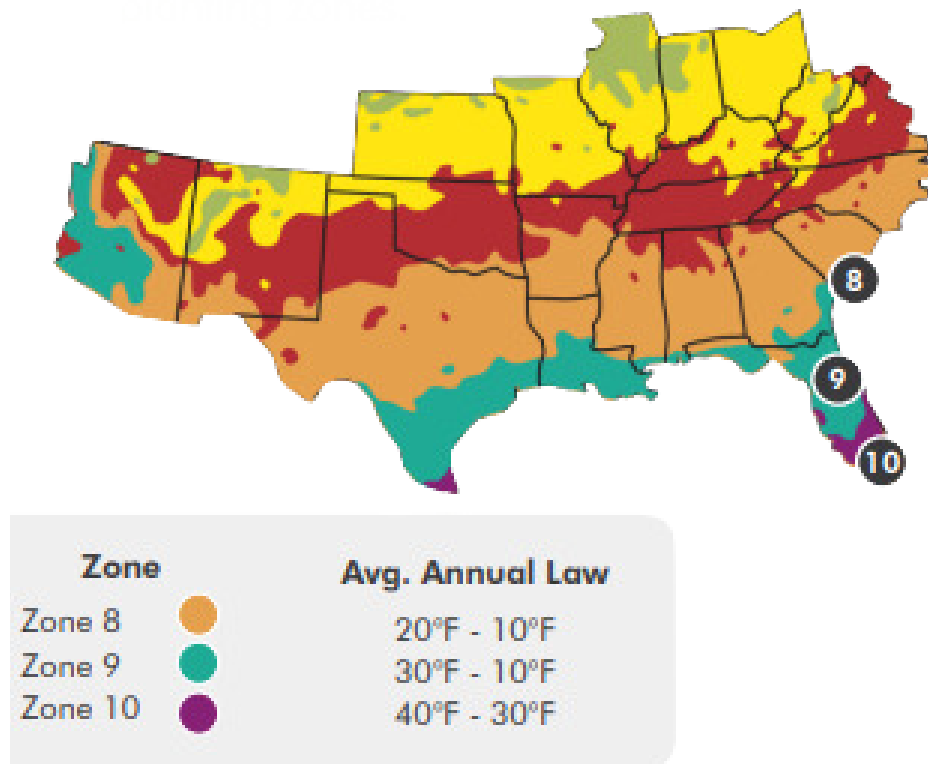

Density & Comfort

BIMINI® boasts a dense structure that creates a luxurious, carpet-like lawn, pleasing to the touch and augmenting the serenity of outdoor areas. Its soft, cushioned texture is kind to bare feet and paws alike, rendering it a perfect choice for activities centered around family.

PERFORMANCE

BIMINI®'s cold tolerance enables it to thrive across various planting zones.

Customer Testimonials

“ This isn’t a golf course, I’m not a professional greenskeeper by any stretch of the imagination, and I’m still able to make this grass look the way that it does. I think that’s a testament to the hardiness and the ease of putting **BIMINI**®

Bermuda down.”

- **Brett, Brett’s Grasscapade**

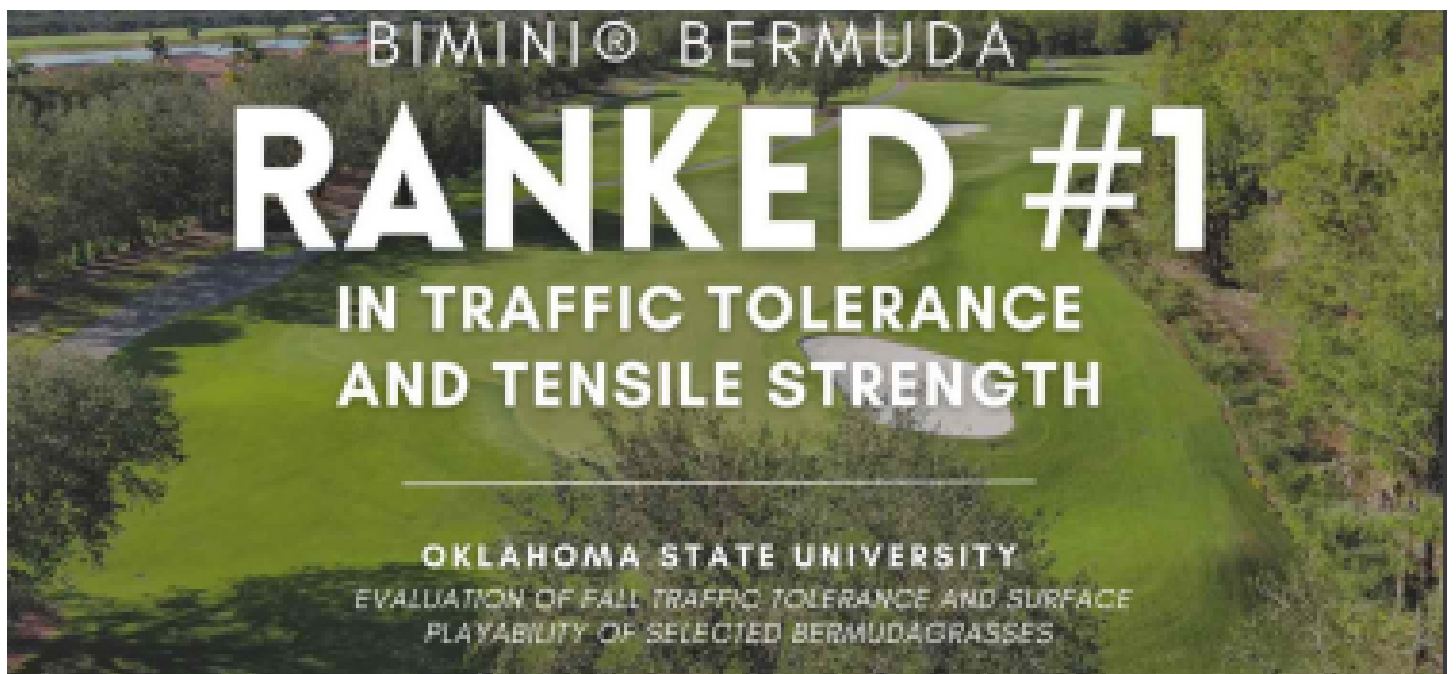

“One of the nice things about **BIMINI**® is its ability to handle traffic. If those golf carts are driving across here all the time and we’re not seeing wear marks or anything like that, imagine how it’s going to stand up to the traffic that you’re going put against it at home.”

- **Allyn Hane, The Lawn Care Nut**
